WE NEED YOUR VOICE!

[Click here to sign the letter to the Gov](#)

There are two letters available via the link above: one from families and one from charter schools & supporters. Please select the letter that most applies to you.

Our goal is to send 1,000 letters by January 17th.

**YOUR
VOICE
MATTERS**

**NYCSA Legislative Call to Action
2023-24**

Charter schools need your support! With the legislative session in Albany right around the corner, now is the time for us to act. Our elected officials need to keep our schools as a priority as they work on new legislation and the 2023-24 state budget. Please let Governor Hochul know you need her to support charter schools by signing this letter.

Open House!

This is a great way for new or
prospective families to get to know us
better:

February 11th: 9am - 11am

February 16th: 5pm - 7pm

In case you missed this!

LOST & FOUND

If you plan on attending the January 26th
Parent-Teacher Conferences,
please stop in at the lost and found!

It is overflowing at both campuses. Help us
reunite you with your missing stuff

A plea from our Days Park Neighbours!

We know that dismissal is tricky at Days Park. Traffic backs-up in the pick-up area and this can be frustrating. However, it is very important that our school traffic doesn't block the residential street. If there is no space in front of the school, please follow the directions of school staff and continue to circle the loop to keep cars moving.

We also ask that parents not arrive before 3pm. Early arrival traffic blocks the street. Our staff cannot come outside to check parents in and direct traffic until instruction ends for the day.

THANK YOU!

When students improve
their attendance rates,
they improve their
academic prospects and
chances for graduating.
