(see CA section for details)

NEWS AND NOTES

EVCS is starting a **Family Assistance Fund**

This Thanksgiving share with an EVCS Family in need

DONATE AT THIS LINK

We give thanks for every donation we receive!

Funds generated will go to purchasing groceries, clothing, school supplies, etc. for EVCS students who have experienced a crisis or emergency and are in need of immediate assistance.

The fund is designed to provide help while working with families to get the longer-term assistance they may need. If your family has experienced a crisis or emergency, please reach out to the **Student Life Coordinator** at your child's Campus.

Janae Delaney
(Hertel Campus)

Ebony McMillan
(Days Park)

We share this document every year to help build community and make connecting with each other more simple.

Family Directory Coming Soon!

We are gearing up to publish our EVCS Days Park and Hertel Family Directories.

This is a campus-specific document that will include the contact information (email and/or phone number) for every EVCS household that “opted in” to be included at the time of registration or re-enrollment.

If you do not want your contact information shared in the directory, email us [here](#) and we will remove your name.

WNY Teacher Residency Program

EVCS partners with Canisius College and the WNY Teacher Residency Program, recruiting and training new teachers. The Buffalo News featured a story about this program and Days Park’s very own Shajuana Day (who is a participant in the program)!

If you want to read the article

Ever thought a teaching job might be right for YOU?

This is **Shajuana Day** (a second grade instructional assistant at EVCS Days Park)

NURSES' NOTES

ERIE COUNTY DEPARTMENT OF HEALTH & KALEIDA HEALTH ALERT COMMUNITY TO TRIPLE THREAT OF PEDIATRIC RESPIRATORY ILLNESSES

Surge in RSV & flu cases prompt call to
prevent illness & protect vulnerable
community members

Erie County
Department of
Health

Public Health

JOHN B. OISHEI
Children's Hospital

Respiratory syncytial (sin-SISH-uhl) virus, or RSV, is a **common respiratory virus that usually causes mild, cold-like symptoms**. Most people recover in a week or two, but RSV can be serious, especially for infants and older adults. RSV is the most common cause of bronchiolitis (inflammation of the small airways in the lung) and pneumonia (infection of the lungs) in children younger than 1 year of age in the United States.

Early Symptoms of RSV

- Runny nose
- Decrease in appetite
- Cough, which may progress to wheezing
