

Elmwood Village Charter Schools

Cell Phone Policy Enforcement Annual Report

2025–2026 School Year

Publication Date: September 1, 2026

Purpose

Elmwood Village Charter Schools is committed to maintaining a safe, supportive, and focused learning environment for all students. The school's cell phone policy establishes clear expectations regarding the possession and use of cell phones and other personal electronic devices during the school day.

In accordance with applicable New York State requirements, Elmwood Village Charter Schools is publishing this annual report summarizing enforcement of the school's cell phone policy during the 2025–2026 school year.

Enforcement Summary

During the 2025–2026 school year, **Elmwood Village Charter Schools had zero disciplinary incidents resulting from student non-compliance with the school's cell phone policy.**

Accordingly:

- **Number of students receiving disciplinary action for cell phone policy violations: 0**
- **Number of disciplinary incidents related to cell phone policy violations: 0**
- **Number of students subject to progressive disciplinary action for cell phone policy violations: 0**

Demographic Analysis

Because there were **no students who received disciplinary action for non-compliance with the cell phone policy**, there is no demographic disciplinary data to report for the 2025–2026 school year.

As a result, Elmwood Village Charter Schools identified **no demographic disparities in the enforcement of the cell phone policy**.

There were also no enforcement patterns or disciplinary outcomes requiring statistical analysis, as there were no disciplinary incidents during the reporting period.

Mitigation Action Plan

A mitigation action plan is **not required for the 2025–2026 school year**, as Elmwood Village Charter Schools identified no statistically significant demographic disparities in enforcement of the cell phone policy.

Ongoing Monitoring

Although no disciplinary incidents occurred during the 2025–2026 school year, Elmwood Village Charter Schools will continue to monitor implementation of its cell phone policy and maintain appropriate records of any future enforcement actions.

The school will continue to review enforcement practices to ensure that the policy is implemented consistently, fairly, and equitably for all students. Should future data identify a statistically significant disparity in enforcement, Elmwood Village Charter Schools will conduct the appropriate analysis and develop a mitigation action plan as required.

Conclusion

Elmwood Village Charter Schools is pleased to report that **zero disciplinary incidents related to non-compliance with the school's cell phone policy occurred during the 2025–2026 school year**.
